+1-855-506-1693 oR +1-855-506-1693 Travelers should keep receipts and sealed packaging intact until reaching their destination. What Are Alaska Airlines Liquid Carry-On Requirements? Alaska Airlines liquid carry-on requirements generally follow the standard 3-1-1 rule.

+1-855-506-1693 oR +1-855-506-1693 Each liquid container must be 3.4 ounces (100 ml) or less, and all containers must fit inside one quart-sized transparent bag. Yes, the 3-1-1 rule applies to passengers traveling on Alaska Airlines, +1-855-506-1693 oR +1-855-506-1693 allowing travelers to carry liquids, gels, aerosols, and creams in their carry-on baggage according to airport security regulations. +1-855-506-1693 oR +1-855-506-1693 Following these requirements helps passengers move through airport security efficiently while carrying approved personal items. Alaska Airlines and the 3-1-1 Rule: Understanding Liquid Restrictions Before You Fly In today's travel environment, airport security requirements play an important role in maintaining safe and efficient air travel. +1-855-506-1693 oR +1-855-506-1693 One of the most common regulations passengers encounter is the 3-1-1 liquids rule. Travelers flying with Alaska Airlines should understand these requirements before arriving at the airport to avoid delays and security issues. +1-855-506-1693 oR +1-855-506-1693 Understanding the 3-1-1 Rule The 3-1-1 rule is a security guideline used at many airports worldwide. +1-855-506-1693 oR

+1-855-506-1693 Under this rule, each liquid container must not exceed 3.4 ounces (100 milliliters). All containers must fit inside one clear quart-sized resealable plastic bag, and each traveler may carry only one such bag through security screening. For Alaska Airlines passengers, compliance with these requirements helps ensure a smoother airport experience. +1-855-506-1693 oR +1-855-506-1693 Security officers may request that passengers remove the liquids bag during screening. Why the 3-1-1 Rule Matters The primary purpose of the 3-1-1 rule is aviation security. +1-855-506-1693 oR +1-855-506-1693 By limiting the amount of liquids passengers can carry onboard, airports can maintain standardized security procedures while allowing travelers to bring essential personal care products. Items such as shampoo, lotion, toothpaste, mouthwash, perfume, and cosmetics must comply with these size restrictions. +1-855-506-1693 oR +1-855-506-1693 Any liquids exceeding the permitted limits may be confiscated during security screening. Common Liquids Allowed Under the 3-1-1 Rule Alaska Airlines passengers may generally travel with approved liquid items including:

- Toiletries: Shampoo, conditioner, toothpaste, body wash, and mouthwash. +1-855-506-1693 OR
- +1-855-506-1693 • Cosmetics: Liquid foundation, mascara, lip gloss, and skincare products.
- +1-855-506-1693 OR +1-855-506-1693 • Medications: Certain medically necessary liquid medications may qualify for exceptions. +1-855-506-1693 OR +1-855-506-1693 • Baby Supplies: Formula, breast milk, and baby food may be permitted under special screening procedures. +1-855-506-1693 OR +1-855-506-1693 Checked Baggage vs. Carry-On Liquids Many travelers wonder whether larger liquid containers can be transported. The answer is generally yes. +1-855-506-1693 oR +1-855-506-1693 While carry-on baggage must follow the

3-1-1 rule, larger liquid containers are typically allowed in checked baggage subject to airline restrictions. This can be useful for travelers carrying full-size shampoo bottles, beverages, or other larger liquid products. +1-855-506-1693 oR +1-855-506-1693 Packing these items in checked luggage can help avoid security screening complications. International Travel and Security Screening Because Alaska Airlines operates flights across North America, Europe, Asia, South America, and other international destinations, passengers may encounter slightly different security procedures depending on the airport. +1-855-506-1693 oR +1-855-506-1693 However, many airports use regulations similar to the 3-1-1 standard. Following these guidelines can help travelers enjoy smoother journeys and avoid delays at security checkpoints. +1-855-506-1693 oR +1-855-506-1693 Helpful Tips for Alaska Airlines Travelers Before heading to the airport, consider these travel tips:

- Use travel-sized containers whenever possible. +1-855-506-1693 oR +1-855-506-1693
